ACTIVITIES

ACTION PROJECT

The Norwalk Youth Action Project is a unique organization among those in which Norwalk High School students participate. It is a city-wide student-led group which for several years has been earning money toward the ultimate goal of a Teen Center for the young people of the City of Norwalk.

The Action Project is best known for its highly-popular series of dances featuring the best of the local bands. These have drawn "standing-room-only" crowds to such places as the Norwalk Jewish Center, the Ascension Beach Club, Chatham Oaks, and the cafeteria at BHMS.

Action Project members have also contributed great service to the community through their work with the Recreation and Parks Commission and local charities.

The staff advisor from Norwalk High was Mr. Miglin, who donated much of his time and effort.

Seated: Sue Stirling, Gale Greenberg, Ann Coolman, Linda Cararbe, June Wennik, Kathy Roos, Barbara Reeves, Carolyn Rodgers. *Standing:* Debbie Stevens, Dennis Tuttle, Jonathan Bello, Rick Jones, John Sculley, Mike Meyers, George Emmerthal, Richard Toth, Larry Hosack, Arthur Johnson, Bill Zachry, Kathy Jones.

ALL-STATE

Once again, Norwalk High School was well-represented at the All-Connecticut Music Festival, held at the University of Connecticut on October 27th and 28th. All members were selected by audition for this weekend of musical study, which was climaxed by a concert performance at Jorgensen Auditorium on the UConn campus.

Representing the NHS band were Barbara Reeves, John Hilton, William Zachry, George Emmerthal, and Dennis Tuttle, who rated as the best trumpeter in Connecticut. The All-State Band was conducted by Dr. Frederick Fennel.

The All-State Orchestra, conducted by Dr. Arslanian, included among its members six instrumentalists from Norwalk High: Carolyn Rodgers, Rudy Backstrom, Kathy Roos, Arthur Johnson, Gale Greenberg, and Ann Coolman.

For the second consecutive year, Norwalk High had all twelve of its candidates for All-State Choir accepted, and thus became the first high school in the State to do so. Our representatives were Richard Toth, June Wennik, Linda Cararbe, Larry Hosack, Sue LaMarche, John Sculley, John Bello, Richard Jones, Debbie Stevens, Sue Stirling, Mike Meyers and Dale Wallerstein. The choir was conducted by Dr. Edward Gilday of the Handel and Haydn Society of Boston.

Seated: Ed Cholakian, Andy Romano, Richard Diou. *Standing:* Mr. Eickstaedt, Brice Easter, Peter Zaffina.

AMATEUR RADIO CLUB

Drama Club is not the only organization in our school producing "hams" — the Amateur Radio Club, headed by Mr. Eickstaedt, has been set up to teach the fundamentals of amateur radio to interested students. Highlighting this year's activities were a field trip to Sperry Semi-Conductor and the setting up of a "ham" station inside our school. Always growing, the amateur radio club has proven worthwhile and rewarding for all who have participated.

AMERICAN FIELD SERVICE

The most altruistic organization in Norwalk High is undoubtedly the American Field Service. Established to promote international understanding through a scholarship program enabling foreign students to study in American high schools and American students to spend time studying abroad, our chapter this year sponsored Orlando Ocampo, a native of Argentina.

Directed by Mrs. Elliot and President Ev Boschen, A.F.S. accomplished much this year. First there was the Bond Drive, which was held in October in conjunction with the adult committee. The Bond Drive is an annual affair held to raise funds enabling NHS students to participate in the Americans Abroad program and to underwrite the cost of foreign students coming to NHS. This year nearly 150 students took part in the Drive.

The annual A.F.S. assembly was held on May 15th this year, and was followed closely by the International Dinner on May 18th, which was a huge success. Our chapter of American Field Service has certainly shown itself to be a worthwhile and meaningful service.

AUDIO-VISUAL CLUB

Under the able leadership of Mr. McCabe, the Audio-Visual Club has grown much this past year. The members of the club devote time to aiding teachers with projectors and other equipment, making tapes of school activities, and work in the darkroom they helped establish. The Audio-Visual Club had a booth at the Spring Fair, helped at the Fathers Club Carnival, and entered the Science Fair, as a Club, in a non-competitive display. The highlights of the year included a trip to Hunter College and a tour of N.B.C. Studios.

BAND

Left, right, left, right, right, left, help!

Under the able direction of Mr. Raymond Stasiewski, the Band completed a most successful year. At all our home football games the Band entertained the public with spirited numbers and original half-time shows led by Majorette Cindy Collins.

This year was marked by the first joint NHS-BMHS concert, which was attended by a near-capacity audience.

Another first was division of the Spring Concert into two parts, thus giving each musical organization a better opportunity to display its talents.

In addition, five band members represented NHS at the All-State Music Festival at U-Conn.

All in all, it was a fine year for our erstwhile instrumentalists.

"BEAR TRACKS"

With the stamp of a new name, our school newspaper has taken on a new look this year. Changed from pamphlet to newspaper form, "Bear Tracks" this year presented new articles which were informative and to the point. Not only staff writers but also students gave opinions on everything from mini-skirts to the proposed construction of a new high school. "Bear Tracks" went above and beyond the call of duty this year, as shown by its cooperative sponsorship with the Audio-Visual Club of the Camera Club. This venture was not only beneficial to the school, but also did much to improve photography in the "Bear Tracks."

It is not easy to create a functioning and reliable information center for an entire student body, but the editors and staff of "Bear Tracks," with the guidance of Mr. Songhurst, managed to make 1967 a rewarding and interesting year.

BOWLING CLUB

This year's Bowling Club will be long remembered by its many followers at NHS. Originally formed for the enjoyment of its members, the club turned to more competitive endeavors when it found that several members were excellent bowlers. And who could have foreseen their brilliant successes and eventual rise to the semi-finals of the USPBA tournament held in Hartford? So Norwalk High, feared before on the basketball court and soccer field, is now feared in the bowling alleys.

As tribute to our departing heroes, we have placed their bowling shoes in the showcase on the third floor, perpetual if somewhat odiferous memorabilia.

BRIDGE AND CHESS CLUB

One of the smaller clubs at N.H.S. is the Bridge and Chess Club. Founded for the basic enjoyment of its members, it also strives to improve the abilities of its member players. The club boasts an undefeated bridge team and a reasonably adequate chess team. Robert Shalvoy served as president, with Evan Diamond (V.P.), Richard Shalvoy (Cor. Sec.) and Ed Ruttenberg (Treas.) filling the other offices. The club participated in the Student Council Fair, the FCICL competition and also entered several duplicate tournaments.

CAMERA CLUB

Under the leadership of Mr. Songhurst, the Camera Club has just completed its first year. The club was originally formed to help the photography in Bear Tracks and to stimulate an interest in photography as a profession. With the assistance of Bear Tracks and the Audio-Visual Club a darkroom was set up and is used by the school. The camera bugs take pictures of all school events and assist with the production of the Yearbook. Future plans include a photographic study of Norwalk 1967 to be preserved for posterity.

CANDLELIGHT SERVICE

In 1937 the initial Candlelight Service was held at Norwalk High, a first in our state. In the subsequent twenty-nine years, the program has become not only a school tradition but also has spread throughout much of Connecticut. This year the program opened with the Brass Choir playing carols from open windows on the third floor. Following a brief welcome by Mr. Malmquist, chimes rang out an introduction to the two-part musical program.

The first of these parts included the solemn and sacred music of the Christmas season. Featured soloists were Laura Finn, Kim Hunter, Sue LaMarche, Larry Hosack, Linda Carabe, and Orlando Ocampo. The Choir and Glee Club presented an extraordinary selection of music with great adeptness.

Following a skillful and moving performance by the orchestra, the choir returned to perform the lighter, joyous music of its Christmas repertory. "The Twelve Days of Christmas," which was highlighted by the dancing of twelve choir members, drew wide applause. Debbie Stevens and June Wennik did well in solo performances. The finale to Candlelight '67 was, as always, peaceful and soothing. As the curtains closed on the NHS stage, "Silent Night" returned to Norwalk.

Row 1: Howard Dickman, Jeanne Drimmer, Gary Crossland. Row 2: Mike Sirkin, Amy Robinson, Mr. Pagano, Doreen Crocco, Carol Solheim.

DEBATE AND DISCUSSION

There is a lot of talk heard around N.H.S., but at least one group talks with a purpose in mind — Mr. Pagano's Debate and Discussion Club. The purposes of the discussions were to help the members learn to express themselves effectively and develop their skills of public speaking. The club, though small, has not been idle. Topics discussed include *The Stranger*, censorship based on Plato's *Republic*, and Milton's *Aeropagitica* and the philosophies of Aristotle.

CHOIR

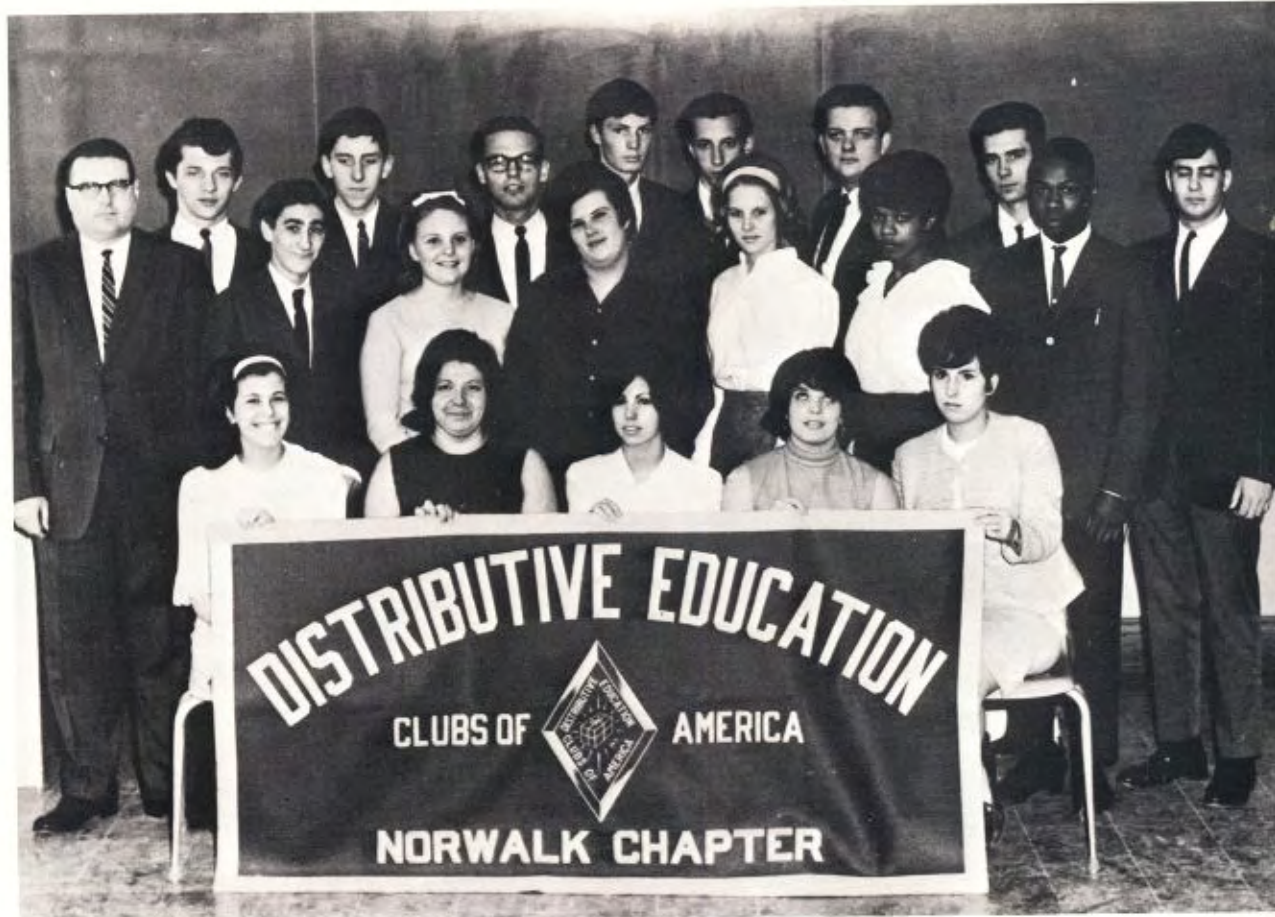

The Norwalk High School Choir, which has grown in stature continuously for many years, contributed much again this year to its already enviable record.

The Choir, which performs at many school assemblies, participated also in many special events during the past year. Twelve members, 100% of those from NHS who auditioned, were selected for the October All-State Festival. The Candlelight Service was once again a fine tribute to the months of preparation that preceded it. Something new this year was the combined NHS-BMHS Music Festival, at which members of the choirs of both public schools sang under the direction of guest conductor Jack Alexander. The choir also performed for local civic organizations, as did smaller ensemble groups.

A highlight of the year's achievements came at the Spring Concert, held on June 9th. This was the first public performance of the choir in its newly-acquired robes, and the consensus of opinion was that this concert was the finest and most spirited performance the NHS choir has made.

The year's end was marked by the graduation day performance of the choir's senior members, who gave their final performance for their vibrant and popular director, Mr. Charles Matz, who has done so much for the choir's successes, both past and future.

D.E.C.A.

A new group with a lot of enthusiasm is the Distributive Education program. Headed by President Douglas Kocher and Vice-President Dave Lawrence, the club entered many endeavors such as a Regional Leadership Conference in Philadelphia on November 4th and 5th, and a State Leadership Conference in New Haven on March 29.

Another phase of the DECA project is the DE store which sells school supplies. All money earned is at present put back into the store, but in the future plans are being made to award scholarships and to sponsor an Employer-Employee Banquet with the profits.

Row 1: Liz Botkin, Dolores Cardillo, Brenda St. George. Row 2: Bill Whitbeck, Jane Nemeth. Row 3: John Hotvedt, Richard O'Grady, Jon Paris, Ed Ruttenberg, Rob Manby.

EARLY BIRDS

As its name implies, the Early Birds Club consists of students who arrive in school with plenty of time to spare. This organization is designed to "round 'em up" and give them something to do while waiting for school to begin. Activities range for studying to discussing current events. You have our amazed disbelief, Early Birds.

FRENCH CLUB

This year's French Club under the leadership of Mrs. Elliot, faculty advisor, and Kevin Patrie, President, has been more active than ever. During the year the members visited French classes in neighboring colleges and took several trips into New York City to see French films and sample French cuisine. They also heard a lecture on French cheeses and had a tasting session afterwards. French Club members also ran turtle races at the Spring Fair. Together with the other language clubs and the AFS, the French Club ended their highly successful year by sponsoring NHS' Second International Dinner.

FUTURE NURSES CLUB

A nursing career demands lengthy and arduous preparation which, in effect, is one of the purposes of the Future Nurses Club. The members explore various nursing curriculum and procedures necessary in becoming a nurse. One of this year's activities was a field trip to Norwalk Hospital to see the new equipment. Another activity involved the sending of Christmas gifts to a Senior Citizens Home. Throughout the year various speakers were invited to speak on future careers in nursing. In completion of this year's busy activities, the girls went out to dinner, where they received their "Future Nurses" pins, and attended a play at the Westport Country Playhouse.

Row 1: Mary Bercume, Pam Floody, Marcia Kinney, Peggy Incerto, Linda Zimmerman, Mary Driscoll, Paula Eletto, Arlene Goldfeder, Linda Conway, Karen Green, Hedy Frankel. *Row 2:* Jane Wattenberg, Margaret White, Bev Strauss, Debby Kinmouth, Dee Sawyer, Jan Rohde, Sue Schnabel, Marcia Begin, Cindy Carlson. *Row 3:* Cindy Lau, Sandy Parraway, Barbie Breeman, Linda Brown, Jan Bottone, Elyse Gammer, Kathy Reyen. *Row 4:* Linda Millman, Bev Monroe, Donna Grimaldi, Angela Walkden. *Row 5:* Sheila Horvath, Virginia Bernschein, Janice Ogrinc, Jan Rysz. *Row 6:* Judy Sugarman, Shirley Clark.

FUTURE TEACHERS

The Future Teachers of America, F.T.A., is sponsored by Mrs. Catherine Vigilante. The purposes of the club are to explore the teaching profession, to interest good students in becoming teachers, and to cultivate qualities of leadership, character, and scholarship among the students. The F.T.A. brings to pupils greater understanding of the value of education in American society, and renders service to the school and to the community.

F.T.A. attended the C.A.F.T.A. Convention and nominated a few local members for state office. It has sponsored an Indian, Wagoner Jim, and has participated in Observation Day, when members were allowed to visit a local school of their choice. The F.T.A. sponsored a booth at the N.H.S. Fair. The Club organized an anniversary affair to celebrate its tenth year; the Norwalk Chapter of the F.T.A. was established June 4, 1957.

This year, as in past years, the T.E.P.'s organization held a tea honoring the N.H.S. Mary McCarthy F.T.A., and the Brien McMahon chapter. At that time, active members of two years' standing were awarded certificates.

Row 1: Ann Coolman, Debby Gans, Bob Streb, Lynne Kadden, Lynne Hess. Row 2: Cindy Collins, Carol Solheim, Mark Misselbeck, Jeff Bartkovitch, Cheryl Kemeny.

GERMAN CLUB

After a slow start, the German Club, under the direction of Miss Germain, completed an interesting year. The club contributed to the International Dinner and had a booth at the Spring Fair. The highlight of the year was a trip to New York, where the members attended a German opera.

GIRLS' GLEE CLUB

The Girls' Glee Club, which is directed by Mr. Charles Matz, has grown in size and talent during the past year. Its members have performed consistently with unusual skill and extraordinary preparedness.

The Glee Club put on a fine showing at the Candlelight Service in its own number and in its delicate accompaniment of a solo by Sue LaMarche. Glee Club members have also sung solos during the year, both with the Choir and Glee Club.

A particularly noteworthy performance of the Glee Club came at the first Spring Concert of 1967. Singing on a program that featured Mr. Stasiowski's band, the Glee Club did a standout job in one of its first performances which did not augment a choir concert.

The work of Mr. Matz and the members of the Girls' Glee Club is to be commended for making the Glee Club an organization of growing importance at NHS.

John Sculley, Cathy Marron, Andy Hatkoff, Beth Van Gorden, Steve Smith (Moderator), Richard March, Laura Finn, Bill Woodward.

HI-TEENS SHOW

The main purpose behind the Hi-Teens Show is to give students a chance to express their views on many and varying topics. This hour of lively discussion heard every Saturday morning on radio station WNLK was moderated this year by Steve Smith, who was assisted by a host of regulars. Topics discussed ranged from those as serious as Civil Rights and Patriotism to lighter ones such as Dating and personal gripes. An innovation this year was the playing of hit records on each show. Controversy tinted with a bit of moderation were the ingredients necessary to make this program interesting to both adult and teenager.

Row 1: S. Gruss, Bill Howard, Mary Jane Cahalan, Russell Rising, Joe Provey, Marilyn Petronella, Carol Abramowicz. *Row 2:* Gail Saunders, Toni Froehling, Hedy Frankel, Colleen Houston, Debby Fair, Debby McMahon, Brenda Nevidjon, Philip Diou. *Row 3:* Jeff Bartkovitch, Chris Weeks, Ed Ruttenberg, Angela Walkden, Lucy Silverstein, Doreen Crocco, Donna Kozar, Debby Mangone.

JUNIOR EXECUTIVE COMMITTEE

Led by President Joe Provey, the Junior Exec managed to even surpass the accomplishments expected of it this year. Junior Work Week was a huge success, bringing in over twice as much money as last year's class.

Winter brought the first dance sponsored by the class of '68, "An Evening in Spain," complete with Spanish decorations. With Spring came the Junior Class candy, and the Juniors showed their class spirit with their great salesmanship. The highlight of the year came on May 13th, when the class prom, "Through the Looking Glass," was held. The final fund-raising event for the year was the Green Bear Fair, at which Jr. class members assisted the Fathers' Club.

Perhaps the most important new legislation for the year was the change in rules allowing alternates to vote at all meetings. Previously alternates could only vote when representatives were absent. June brought the coveted class rings and the conclusion to a most productive year.

Patricia Anthony, Eileen Herz, Patricia Hamilton, Beth Hansen, Shirley Clark, Flo Roberto, Carolyn Rodgers.

JUNIOR RED CROSS

Guided by Mrs. Wheeler and led by President Carolyn Rodgers, the Junior Red Cross has been a very active organization. Working in association with the Red Cross Chapter House here in Norwalk, several of the Red Cross Members have assisted during local bloodmobiles.

Another of the Red Cross's worthy projects has been the visiting of both Prospect Gardens and Eden Park, two local convalescent homes. Our Junior Red Cross members have enjoyed talking with, entertaining, reading to, and helping the older members of our community. Working to make life a little easier for others has given the Junior Red Cross members a feeling of usefulness and purpose. The members feel assistance to those in need is one of the most worthwhile and beneficial programs young people can undertake.

LATIN CLUB

One of the most organized and unusual clubs is the Latin Club. Throughout the year, skits written by club members were performed on several holidays. The Saturnalia Skits and those performed during the Thanksgiving season provided amusement and entertainment for both the audience and performers.

The Delphic Oracle again resumed its role at the Spring Fair, being one of the most popular booths there. Under faculty advisor Jesse Pollard and the leadership of Pres. Richard Hopper and Vice-Pres. Bob Manby, the Latin Club has a most enjoyable year.

LETTERMEN'S CLUB

The major project for the Lettermen's Club this year was getting together for this picture.

Seated: Wendy Hailand, Linda Jackson, Flo Roberto, Chris Kenworthy, Linda Zimmerman, Carol Kaplan. *Standing:* Debby Kydes, Angie Afxentiou, Cathy Reyen, Beth Rosner, Debby Bates, Peggy Incerto, Marie DiMeglio.

LIBRARY CLUB

Perhaps one of the least known, but yet one of the hardest working clubs in NHS is the Library Club. It consists of a group of dedicated workers who spend one of their free periods helping Mr. Gray in the library. Among their duties are returning books to the shelves, filing cards, checking out books, and processing new books for circulation. It is because of their assistance that Mr. Gray is able to do as outstanding a job as he does in keeping our Library one of the best in the state.

NATIONAL HONOR SOCIETY

The students who comprise this year's National Honor Society have been selected for membership in the Society on the basis of the scholarship, leadership, service and character they have exhibited at NHS. The principal activity of the Society is the tutoring service it provides for any student having difficulty in academic subjects.

Under the leadership of this year's officers, President John Mulford, Vice-President Fulton Li, Secretary Barbara Kaufman, and Treasurer John Caldwell, the Honor Society sponsored a very successful car wash to raise funds to cover the cost of the induction ceremony in June. The Society also conducted the popular Mr. NHS contest during the Spring Fair.

ORCHESTRA

Conducted by Mr. Robert Setterlind, the Norwalk High School Orchestra has helped make 1967 a year long to be remembered for its musicians. It was a year of music with many fine presentations at the junior high schools and at Norwalk High. All of these performances were well received, but the response of the audience was especially resounding at the Spring Concert, with a program that included such masterpieces as Handel's "Hallelujah Chorus" and the "Brandenburg" by Bach. The quality of the playing was superb and the enthusiasm of the players unsurpassed by that of any other school concert.

The past year may be thought of as a spectrum of light that gave illumination to music that had been formerly beyond reach.

PEP CLUB

The Pep Club, sponsored by Mrs. Dobeck, was established primarily to aid cheerleaders at games and to promote school spirit.

Officers for 1966-67 were President Kathy Ellis and Vice-President Susan Glazer. This year the club officially listed boys as members for assistance in comical skits during the rallies.

The major project of the Pep Club for the year was its booth at the Spring Fair.

Rit Shalvoy, Bob Shalvoy, Ken Speyer, Robert Grundy, Lenny Rubin, Tony Pires, Brian Gorin, Eric Marcus, Barbara Willard, Robert Comp, Evan Diamond, Richard Hoagland, Steve Lenkowsky.

SCIENCE CLUB

Guided by Mr. Gilmore, the Science Club has had a most successful and fulfilling year. Interested in scientific opportunities outside of the classroom, these budding scientists have become acquainted with such possibilities via movies and reading matter.

The Club made several field trips and is a member of the Junior Scientific Technological Society.

Row 1: Cathy Marron, Tim Johnson, Gary O'Malley, Larry Hosack. *Row 2:* Johanna Provato, Nancy Golden, Linda Cararbe, Margaret McLachlan, Wendy Kleinknecht, Mr. Robert Dion. *Row 3:* Ev Boschen, Barb Reeves, Peggy Fitchen, Val Locher, Suzette Haws, Joanne Raiche, Jane Wattenberg. *Row 4:* Peggy Waldron, Lynne Hobbs, Mary Beth Scott, Dee Smith, Barby Kaufman, Marcia Begin. *Row 5:* Bill Woodward, George Emmerthal, John Mulford, Blair Ciklin.

SENIOR EXECUTIVE COMMITTEE

Most seniors probably weren't aware of the great responsibility undertaken by the Senior Exec. All class functions were planned and undertaken by this body, which was ably guided by President Gary O'Malley. Among its many accomplishments this year, the Senior Exec can cite the Mr. Touchdown Dance, which was held Thanksgiving Evening in our gym to honor the Homecoming Queen, Cathy Marron, and the Messrs. Touchdown; the Christmas wrapping paper sale, which gave each senior the opportunity to reduce the cost of his yearbook; the Miss NHS Dance, held April 28th, at which Mary Beth Scott was chosen Miss NHS; and our prom, "What A day for a Daydream," held June 16th at Longshore and followed by the post-prom at Mary Journey's Inn in Bridgeport.

Row 3: Bill Woodward, Steve Meade, Bill Goetz, John Lysobey, Gary Crossland, Pete Yackulics, Seth Shepard, Bill Zachry.

SKI CLUB

The cries "On to Butternut" coming from the N.H.S. parking lot on numerous Saturday mornings this past winter have been traced to the Ski Club. Under the guidance of Mrs. Ferris, the members of the Ski Club not only learned proper techniques of skiing and safety precautions, but also made several trips to Butternut Basin in Massachusetts. It proved to be a rewarding and enjoyable winter for all active participants.

SOUTHWESTERN

The Southwestern Connecticut Concert Festival was held during December in the Danbury High School Auditorium. Composed of six hundred students from choir, band, and orchestra the festival represented 33 different high schools in southwestern Connecticut. We at NHS were very well represented by 21 of our most musically inclined students.

The program consisted of a large variety of music ranging from religious to lively folk songs. The musical abilities of the students and the wide range of selections kept the audience highly attentive and responsive. The students themselves learned much about the art of performance, and had an enjoyable time.

June Wennik, Linda Cararbe, Debby McMahon, Janice Vittelo, Anne Devita, Arlene Goldfeder, Barbara Kaufman, Betty Dell, Joanne Pearson, Jan Finney, Linda Millman, Jonathan Bello, Andrew Potrzebie.

SPANISH CLUB

Under the guidance of Miss Schreiner, the Spanish Club has had a fulfilling year. The members have heard talks about Mexico, Spain, and Argentina, participated in the A.F.S. International Dinner, and operated a booth at the Spring Fair. The highlight of the year was a trip to New York where the members visited a Spanish museum and had dinner at the Cafe Madrid. It was a most successful year, and one long to be remembered.

Beth Liebman, Roderigo Estaba, Barbara Cohan, Sandra Parraway, Pat Lewis, Tonia Mordwinkin, Jan Rohde, Ev Boschen, Cindy Carlson, Kathy Felix, Lucy Mordwinkin, Miss Schreiner, Seth Shepard, Bill Woodward.

SPRING CONCERT

This year the Spring Concert was split into two separate programs so that each group could have a better chance to perform for the students and residents of Norwalk.

The first concert consisted of the Girls' Glee Club, the Concert Band, and the Stage Band. The Band, which was formally attired in the new dark green and white uniforms for the first time, started the program. Following the Band was the Girls' Glee Club, directed by Mr. Matz. Their program consisted of a tasteful selection of folk and popular melodies. The Glee Club's closing number, "The Shadow of Your Smile," led into the Stage Band's introduction, with Cheryl Kemeny soloing. The Stage Band's program consisted of a medley of old and new numbers, and its presentation was added to by tasteful lighting arrangements. Soloists were John

Hylton and Barbara Reeves.

The second half of the Spring Concert was presented on June 9, and featured the Choir and Orchestra, conducted by Mr. Matz and Mr. Setterlind, respectively. A memorable part of the evening was the combination of Choir and Orchestra on two numbers. An original work by Peter Woodard, a student at NHS, was performed by the members of the All-State Choir from Norwalk High.

During the program's interlude, solos were played by Linda Jackson, Richard Toth, and Larry Hosack. A string quartet with Arthur Johnson, Ann Coolman, Carolyn Rodgers, and Gale Greenberg also played during the interlude. All involved in the Spring Concerts are to be congratulated for the fine job they did in giving an excellent performance.

STAGE BAND

Directed by Mr. Stasiewski, the Stage Band has had a stimulating program this year. Its reception at the Spring Concert was excellent, with solos by Barbara Reeves and John Hilton especially well received. Another fine presentation was the concert given at Benjamin Franklin Junior High School.

The purpose of Stage Band has been to provide the people of Norwalk with all the facets of the music scene today. This select group of musicians has certainly done that.

STUDENT COUNCIL

The major purpose of Norwalk High School's Student Council is to form an effective liaison between the student body and the administration, and to make high school life more profitable and enjoyable for all concerned. Led by President John Elger and supervised by Mr. Moore, this year's Student Council has accomplished all of its goals. Thanks to the Council, NHS students now have music to eat by. Another accomplishment of this year's Student Council was the strengthening of our Lettermen's Club. The Kickoff Dance and the Homecoming Dance helped to add extra income to our treasury. At the Brien McMahon-Norwalk High School Student Council Workshop, many ideas and suggestions were profitably exchanged. When controversy arose as to the change in name for the proposed new high school, the Student Council expressed the sentiment of the entire student body by voting 59-0 to keep the original name. As a finale to a great year, the Student Council sponsored the annual Spring Fair.

THEATRE CLUB

The Theatre Club plays a very important part in our school's annual activities. Every year the club presents a memorable production in which each member is urged to contribute either by acting or helping backstage. This year's production, "Where's Charley?", was a great success thanks to the cast's hard work, the stage crew's assistance, and the wonderful direction of Mr. Woodend. Those cast members who appeared in two years' productions and who fulfilled their clubs obligations were awarded one-year subscriptions to a theatrical magazine.

USHERS CLUB

Remember all those lovely girls at all our "gala" events in the auditorium? They were members of the Ushers Club with duties ranging from seating guests to handing out programs. Under the direction of Miss Hart, the members of the Ushers Club make it possible to present entertainment in an orderly and proud manner. They volunteer their time and energy with the express purpose of making it easier for the audience — and a fine job they do!

"WHERE'S CHARLEY?"

One of the highlights of the year for NHS students was the presentation of the musical "Where's Charley?", by the Theatre Club and the class of '67. The production will be long remembered, not only for its fine plot, but also for the excellent casting.

The play concerned the trials of Charley (John Caldwell) and his roommate Jack (John Hotvedt) who, after inviting their girl friends (Laura Finn and Kim Hunter) to lunch, find that they will not have Charley's Aunt Donna Lucia on hand to chaperon. Of course such a thing was unheard of in the 1890's, so Charley was forced to become his Aunt; complicating the situation, however, were the girl's guardian Mr. Spettigue (Bernard Keating) and Jack's father (John Hylton), who seemed to find Charley irresistible in his Aunt's clothing. In the meantime, Donna Lucia (Linda Cararbe) arrived and watched the entire scene incognito. Somehow the cast was humorously straightened out and reunited just in time for a happy ending.

Of note were the surprise appearances of Mr. Songhurst and Mr. Stasiewski, and an articulate rendition of the faithful butler by John Elger. Backing up the cast was the chorus of Suzette Haws, Mary Scott, Mike Meyers, Gayle Saunders, Brenda Nevidjon, Arlene Falk, Ed Ruttenberg, Rick Jones, Bill Woodward, Brian Riedell, Ray Kinlock, Sue Stirling, Lee An Heaphy, and Betsy Karp.

Although the general high quality of acting would obscure almost any fine personal presentation, John Caldwell handled his role so well as to nearly eclipse the rest of the cast. Using facial, costume, and vocal changes to their fullest, John made Charley and "Donna Lucia" come humorously alive for the audience. He also unveiled his previously hidden flair for dancing in his solo performance of vaudeville choreography. If this performance is any indication, John has a great future as a thespian.

Reminiscentiae 1967 extends its highest congratulations to the cast, Mr. Woodend, Mr. McFarland, the musicians, and the stagehands for having presented the finest play at NHS in many years.

FOOTBALL

The Norwalk Football squad finished the 1966 season with a fine record of three wins, four losses, and two ties. The team, led by Captain Don Christopher, was outstanding on defense as it held back the offenses of some of the best teams in the state.

Our first game with highly-ranked New Canaan was a real disappointment, since all New Canaan's points were scored in the first quarter. After this slow start, Norwalk's defense stiffened and proved to be more than a match for the Ram's offense, led by Milt Word. The final score was 13-0.

In our next game with Andrew Warde, Norwalk broke its ten game losing streak with a 12-2 win. The first half ended with no score, but Norwalk was definitely dominating the game. They came out in the second half and broke loose with two touchdowns, both by Fullback Randy McCue, set up by pass interceptions by McCue and junior Bill Howard. Warde's only points were made on a safety.

It was not Norwalk's day when we played Stamford Catholic in our next game. The final score was 19-0, all points being made on passes

by Stamford's star quarterback, Nick Robustelli.

The next game brought the Gremlins a 7-6 victory with our defense holding Trumbull to a minus thirty yards rushing, while we racked up 149 yards. We scored early in the first quarter, only to have the play called back by a penalty. Trumbull then scored their only touchdown and Norwalk came back with a fumble recovery by tackle Reid Saffell, after which Quarterback Trippi Turner passed for the score to Bill Howard. Tim Johnson kicked the extra point to give us the victory.

In the most thrilling game of the season, Norwalk started the second quarter the underdog to Brien McMahon in a 14-0 game. On a beautifully executed play, Turner passed to end Tim Johnson, who in turn lateralled to half-back Keith Pybus. Pybus then literally outran the McMahon safety, and sprinted 96 yards for the touchdown. Then in a great defensive battle, the score remained 14-6 until the fourth quarter. Quarterback Trippi Turner headed a drive

down to the McMahon seven yard line, and then threw the TD pass to Keith Pybus, who also ran over for the extra points. The game ended in a 14-14 tie, but Keith Pybus had a great day, racking up 14 points and 157 yards in rushing.

The next game against Central Catholic was the team's big game. Central Catholic was undefeated the first five games and they were averaging 30 points a game. We were down 14 points at the half, but late in the third quarter we scored on a pass from Turner to end Dennis Fabion. Keith Pybus scored the second TD on a 15 yard run in the fourth quarter. Bill Howard's rush for the extra points was good to end the game in a 14-14 tie. Gary O'Malley was a standout on defense with four interceptions.

In the third loss of the season we outrushed Rippowam 121 yards to 65 yards, and tied them in first downs with 7. The final score however was 18-0, with Rippowam coming on top.

Weather was a factor in our eighth game with Roger Ludlowe. We scored in the first quarter, and the score remained 7-0 through the first half. But in the third quarter Ludlowe came back with a TD and with four minutes left they tallied for another to end the game 12-7.

In front of a crowd of two thousand we ended the season with the annual Thanksgiving Danbury game. In this game we romped to a 26-0 victory. Touchdowns were made by Pybus, Mike Callahan, Dennis Fabion, and Ken Braun. Johnson had two good kicks for two extra points. Interceptions were made by Doug Scott with two, and Gary O'Malley and Don Christopher with one each.

The season ended with the award for "Mr. Touchdown" being given to Captain Don Christopher. Randy McCue was chosen best back, John Elger for best lineman, Gary O'Malley for best on defense, Doug Scott for best all around.

SOCCKER

Norwalk was given its second State Championship for 1966 by the Soccer team, who defeated Wethersfield High in the final round play-offs by a score of 1-0 on November 11, 1966.

Led by Captain Tony Pasiakos we finished the season with a 10-2 record in conference play, and a 3-0 record in the State Tournament. With returning seniors Tony Pasiakos, Rit Swain, Blair Ciklin, Jeff Smith, Leon Yacker, Cosmo Morabito, Jim Hagan, Don Fedge, Paul

Abramson, and Paul Palermo, our chances for a winning season were very good, and after our first three opponents, we were headed for the top.

Our first game against Stamford was won by a score of 4-0, with Yacker and Ciklin getting two apiece. The next victory was against Greenwich. Pasiakos led the way with two goals, and Vasil, Hagan, and Kalamides each had one. The final score was 5-0. Next on the list was

Andrew Warde with a score of 2-0. Center Bill Vasil made both goals.

In the next game, highly-ranked Staples edged us with a score of 1-0. This game was very close and proved that although we were underrated, Norwalk would be one of the teams to beat.

On October 6, the Norwalk Soccer team won its most important victory of the season by defeating last year's State Champions, and cross-town rivals, Brien McMahon, by a score of 1-0. This paved the way for six more wins, five of them shut-outs, and put us in first place in our division.

During this romp, we beat Darien, 3-0, on goals made by Pasiakos, Kalamandides, and Ciklin; Rippowam, 5-0, with two scores by Pasiakos, and one each for Ciklin, Vasil, and Hagan; Danbury, 5-0, with Pasiakos again making two, and Swain, Ciklin, and Cerilla with one apiece; Roger Ludlowe, 4-1, with goals by Pasi-

akos, Kalamaniades, Vasil, and Ciklin; New Canaan, 1-0, with the lone score made by Pasiakos; and the last scheduled game, Darien, 1-0, with the goal again being made by Pasiakos.

Meanwhile, Staples and Brien McMahon had been battling it out for their division championship with McMahon coming out on top.

This meant that Norwalk must again face Brien McMahon for the Conference Championship. In this game, a fired-up McMahon team

a score of 3-1. Our goals were made by Vasil, Swain, and Pasiakos.

In the second round of play-offs on November 11, we met Staples for the second time on the field at Wilton High. Just to show there were no hard feelings, we beat them 5-4. In all fairness to Staples however, it should be noted that the game was tied 1-1 through four overtime periods. Under tournament rules, each

capitalized on our errors to win 7-2. There were many factors involved in this defeat. Our team had just finished a heavy schedule of games and needed more rest. Larry Kalamaniades was injured in this game and was lost to the team for the rest of the season. Our two goals were made by Pasiakos and Morabito.

Then on November 3, our first game of the State Tournament was played against Windsor High School on the field in Meriden. We overcame them with no trouble at all, winning with

team is to be allowed five penalty kicks to decide the winner in case of ties. Norwalk made four of theirs, while Staples could only come up with three. Our scores were made by Swain (in the 3rd period), and Pasiakos, Ciklin, Yacker, and Vasil, each with a penalty kick. Halfback Jim Hagan was injured in this game and was unable to finish the tournament. This win put us in the final round of the State Tournament.

The final game was played at Sterling Field in West Hartford against Wethersfield High. It was a tough game, but in the fourth period, Leon Yacker out-faked his defender and got around him for the only score. We won 1-0 and became State Soccer Champions for the 1966 season.

Along with the veteran seniors, we were lucky to have a fine group of juniors and sophomores, both in the line-up and as reserves, with Goalie Robin Appleby, Bill Vasil, Jesus Cerilla, Joe Provey, Ted and Todd Jones (the two Todds), Sergio Latoison, and Jerry Caravan.

Coach Scarso attributes our great season to the strong defensive play of fullbacks Tony Pasiakos, Jeff Smith, and Larry Kalamaniades, and to the fine front line with Center Bill Vasil, Inners Blair Ciklin and Jesus Cerilla, and Outers Rit Swain and Leon Yacher.

One of the top scorers in the state and the high man for our team was Captain Tony Pasiakos, with fourteen. Following him were Blain Ciklin and Bill Vasil, with seven each, Leon Yacher, Rit Swain, and Larry Kalamaniades, with three apiece, Jim Hagan, with two, and Cosmo Morabito, and Jesus Cerilla with one apiece.

CROSS COUNTRY

The Norwalk High Cross Country team, led by Coach Charles Vaughn and Captain Richard Springer, was in rough competition against some of the top teams in the state. We had a slow start, but after hard work, we finished the season with a respectable record of four wins and seven losses.

With seniors Tom Fant, Mike Ford, Richard Springer, and Ken Wolfe returning, along with newcomers Whitney Carman, and Craig Brown, we continually placed among the top runners.

Among our victories were Brien McMahon, Roger Ludlowe, Rippowam, and Stamford. All of these, except Ludlowe, were won by wide margins.

At the end of the season we were informed that one of our runners had been ineligible throughout the schedule and we were forced to forfeit the meets we had won.

BASKETBALL

The 1967 basketball season began with some apprehension as the now infamous Norwalk High team, led by captain Gary Boland, and coached by Jack "The Tiger" Cronin, had some reorganizing to do after the graduation of three of last years first string. But for the second year in a row, Norwalk won the Eastern Division title and went on to play in the State Tournament.

We had a slow start, edging Bullard Havens 72-69, then losing to a strong Rippowam team 83-57. We bounced back the next game and started a five game winning streak against Stamford, Greenwich, Trumbull, New Canaan, and Darien. We were stopped by cross-town rivals Brien McMahon in an overtime game which

was delayed when Willie Miller broke the McMahon backboard on a "stuff" before the game. The final score was 79-78. Then, hampered by sickness and little rest, we lost a bad one to Andrew Warde. We recovered quickly and started a string of seven wins, which included Danbury, New Canaan, Stamford Catholic, Roger Ludlow, Jonathan Law, Darien, and a revenge game with Andrew Warde. We lost

another close one to Stamford Catholic, and then finished the scheduled season by swamping Roger Ludlowe 99-63. This put us on top of the Eastern Division, and we were on our way to the State LL Tournament.

We lost a rematch to Brien McMahon, and then played Rippowam for the County Confer-

ence Championship. With one of our key men, Jim Burey, out with a back injury we could not cope with the shooting of Rip star McCrocklin, and lost 71-48.

Norwalk was rated sixth in the state on our won-lost record and in the first game of the State Tournament we faced Lyman Hall. In a

one-sided battle, Norwalk came out on top by an 86-65 score. Then in the quarter-finals, we faced a tough New London team. They had the height on us with all but one of their starting line-up over six feet. It was an exciting game, with the lead changing hands many times. But in the fourth quarter, Norwalk's shooting slumped and gave New London the advantage. In the closing minutes, we started a long come-

back, but New London was able to hold their lead and the game ended with a score of 80-73.

One of the factors that made this a winning season was that what we lacked in height, we made up for by a well-rounded shooting team. Captain Gary Boland had the highest point total with 265 for the season. Burey was close behind with 257, then Willie Miller with 237, Torian with 215, O'Malley with 203, Ciklin with 127, and Cook with 69.

HOCKEY

The Norwalk High School Ice Hockey team completed the season with a respectable 5-8 record. We started the season on the right skate as we beat Hillhouse 4-1. Senior Rit Swain scored the hat trick with three goals. Junior Jerry Caravan scored the other goal.

In the fourth game, against cross-town rivals, Brien McMahon, we came back to win with a score of 4-3. Goals were scored by Rit Swain, Jerry Caravan, sophomore Pete Rockholz, and

senior George Emmerthal. Goalie Harry Palmer was outstanding as he protected our third period lead with many saves. We made it two in a row with a 3-1 victory over Brunswick Prep in which Captain Kip Winchester scored a slap shot from the blue line.

After a five game slump, we came up against first place Staples, who were undefeated. Norwalk pulled off the upset of the year by handing Staples their only Conference loss in a 4-3

thriller. Emmerthal led the way with two goals. Swain and Rockholz had one apiece. The winning goal was made in the last half of the third period, along with a fine job by defensemen Kip Winchester and Sherry Dowling, and

goalie Harry Palmer, in holding off the Staples attack.

The final win was against Brunswick Prep, 1-0, which completed the season.

The respect which the players received from the other teams was made apparent when the All-County Conference teams were announced. Richard Swain was named to the first team, Kip Winchester and George Emmerthal were named to the second team, and Sherry Dowling and Harry Palmer received honorable mention.

SWIMMING

With a new coach and an almost completely new squad, the Norwalk High School swim team had the rough job of rebuilding. Under the direction of Coach Pat Spinola, with returning seniors Seth Shepard, Richard Ramsey, Bill Rudeman, and Don Spillman, the aqua-bears made good use of the few hours of pool time they had a week and went out to win their first meet.

But the more experienced and stronger top-ranked teams such as Greenwich, Darien, New

Canaan, and Staples, proved to be our downfall. Many school records were broken, however, and there were some fine individual swimmers such as Don Spillman, Dick Ramsey, Seth Shepard, Sophomore Ted Jones, and diver Bill Rudeman. Ted Jones was the team's top scorer with 92 points, followed by Spillman with 61, and Rudeman with 51.

The final record was four wins against ten losses, three of which were by one point.

BASEBALL

Norwalk finished another successful baseball season this year by finishing in third place. Led by co-captains Tim Johnson, Andy Gerry, and Gary O'Malley, and Coached by Jack Cronin, we finished the season with a record of 11 wins and 7 losses. In our victories we included state defending champion, Brien McMahon, and a strong Rippowam team.

Our first victory was against Staples. We then went on to win a close one from New Canaan 1-0, with a fifth inning single by Dennis Fabion. After a three game slump, we came back

to beat Darien, climaxed by a home run by Andy Gerry, Norwalk's leading hitter.

Gary Katz pitched a two-hitter against Rippowam and won the game 5-2. Andy Gerry led the hitting attack with two singles. We then defeated Andrew Warde, Stamford Catholic, and Trumbull, before meeting Brien McMahon. In a see-saw battle we jumped off to a six to nothing lead. McMahon came back with seven runs in the fifth inning. Norwalk, however went on to win with three runs in the seventh that ended the game 9-7.

We won our last three games Gary O'Malley pitching a 5-0 shutout over Darien, and Gary Katz picking up his fourth and fifth wins of the season over Danbury and New Canaan.

Norwalk looks forward to another good year next year with three starters, Dennis Fabion, Bob Ireland, and Jim Bratton, returning.

TRACK

A young Norwalk High track squad had a lot of bad luck this year as injuries and ineligibility kept many top school athletes off the roster. We had several fine individual showings in each meet by Seniors Richard Springer, Doug Scott, Mike Ford, and Joe Stolzenberg. Next year we should have a much improved team as most of the squad will be returning. Sergio Latoison, Bill Howard, and Keith Pybus will all be returning next year as Seniors.

In our first meet against Roger Ludlowe, we

took several firsts with State High Hurdles champion, Sergio Latoison, taking two. We won our second meet against Trumbull 79-66, winning 12 out of 17 events. Against Brien McMahon, we had firsts by Mike Ford in the 2-mile, and Latoison in the high hurdles. In our last meet against Andrew Warde we lost a close one. One of the high points of this meet was the setting of a new record by Doug Scott in the pole vault. He cleared 11'9" beating Steve Wallerstine's old record of 11'3".

The rest of the track season was taken up by Invitational meets and the county and State championships, with Norwalk's Sergio Latoison winning the C.I.A.C. sectionals in the high hurdles and then going on to win the State title.

High point scorer for the year was Latoison with 104½, followed by Howard with 39½, Scott with 30, and Stolzenberg with 32.

TENNIS

Though this year's racquet squad did not compile an outstanding team record during the regular season, definite highlights could be found throughout the campaign. The biggest and most important of these was the consistently amazing tennis of our junior star, Paul Gerken. Paul not only was undefeated in regular season play, but he also swept through all competition at the CIAC tournament and became the 1967 State Champion. Playing very good tennis throughout the season, Captain John Mulford won almost fifty percent of his matches despite the stiff competition he met in his number two position. Peter Robinson, when not serving detentions, displayed a marked improvement over last season and as a result won several

matches. Our number four and five players (?) were oftentimes referred to as the "dynamic duo." Unfortunately, their tennis ability was not nearly as dynamic as their spirit. Kip Winchester, still playing hockey, consistently hit the ball into the net. Despite this handicap, Kip teamed up with others to turn in five impressive double victories.

Possibly the highlight of the team's season was John Elger's first tennis singles victory after a two year record of seventeen consecutive losses. Instrumental in this victory was the fact that John had been told that he would have to walk home if he did not win.

P.S.—The match was in Danbury.

GOLF

The Norwalk High School Golf team, coached by Mr. Herbert Grayson had an unlucky year as far as their won-lost record is concerned, but fine playing by all the players resulted in the turning of in several individual wins in a heavy schedule. Jim Burey turned in 8 wins out of 13 matches with some of the top golfers in the state and qualified for the Connecticut State Junior Open, New York City Junior Open, and Westchester Junior Open Tournaments this spring and summer. Also adding to the wins were Bill Woodward, Jack Anrico, and Bob Manby.

GIRLS' SPORTS

VOLLEYBALL

This year there were two girls' volleyball teams. The Fall team was coached by Miss Kathy Bates, a physical education teacher at Roton Junior High School. The Winter team was coached by Mrs. Sallick.

The fall tournament consisted of three play days held at Roger Ludlow High School. Although the fall team was unsuccessful this year, they had a great deal of spirit, on which they were complimented, and enjoyed playing with other schools as well as meeting new people.

The following were members of the Fall volleyball team: Terica Torian, Ann Laura Roberts, Despina Kydes, Sandra Paraway, Bonnie Shea, Sidra Gruss, Jan Rohde, Geri Osman, and Kathy Jones.

The Norwalk High Girls' Volleyball Team represented their region in the CIAC State Championships on April 15th at Central Connecticut State College in New Britain.

The Norwalk girls, competing with six other area schools, won the regional crown on March 23 at Staples High School. The Green Wave joined five other school regional winners in New Britain for the title.

All three local high schools, Brien McMahon, Norwalk, and Central Catholic, qualified for the semi-final rounds with the host team, Staples. Norwalk topped the Senators 15-10 and 15-2. The Green Wave then defeated Central Catholic 15-6 and 15-9 in the finals. Greenwich, Rippowam, and Wilton also competed in the tourney.

On April 8th the Norwalk High School girls traveled to the State Tournament in New Britain. Unfortunately, they were eliminated in the early stages of the tournament.

Members of the Championship Regional Team, coached by Mrs. Sallick and Miss Mickey Ahern, were Terry Torian, Jan Rohde, Nancy Cochrane, Kathy Jones, Anna Laura Roberts, Mary Scott, Bonnie Shea, Patsy Mason, Saly Bingham, Ginger Picanzi, Diane Deal, Chris Patalano, and Andy Seger.

FIELD HOCKEY

Coached by Miss Alice Pesh, the N.H.S. Girls' Field Hockey Team started its second year with an eight game schedule. In winning five games, tying one, and losing two we had a very good season. Our first game with Rippowam was a close one. At the half, the score was tied 0-0, but Rippowam came through with one goal ending the game with a score of 0-1. Our next game against Central Catholic was won by N.H.S. by a large margin of 4-1. The goals for Norwalk were made by Captain Andy Seger who scored two, Nancy Balla one, and Ginger Picanzi one. On October 13, Norwalk played Andrew Warde. The Green Wave looked like a million dollars at this game. Captain Andy Seger scored 3 goals in the first half, and Nancy Balla one in the second. The fourth game, against Greenwich, was our second loss, with Greenwich scoring two goals in the second half. Both teams played well, but Norwalk couldn't get on the scoreboard. In the fifth game, N.H.S. scored a close victory over Stamford High with all goals being made in the second half. Ginger Picanzi and Nancy Balla made one goal each. On November 1, the Varsity tied Wilton High 0-0. The game was well played by both teams. The Green Wave was victorious over our cross-town rival, Brien McMahon, by an overwhelming margin of 4-0. Ginger Picanzi made one goal in the first half, and Captain Andy Seger scored two and Nancy Balla one in the second. Our last game, with Rippowam, ended Norwalk's season victoriously with a score of 1-0. Andy Seger made the only goal. High scorer for the year was Captain Andy Seger who made nine goals. The following were members of the Girls' Field Hockey team for 1966: Courtenay Austin, Nancy Balla, Debbie Bates, Sally Bingham, Dolores Cardillo, Nancy Cochrane, Lidia D'Acunto, Diane Deal, Marcia Hegeman, Mary Ellen Imperato, Nona Jones, Lisa Leigh, Val McNair, Miriam Nuestaeder, Chris Patano, Ginger Picanzi, Carolyn Rodgers, Kathy Roos, Pearl Rysz, Captain Andy Seger, and Lucy Silverstein. Assistant Coach Mickey Ahern; Managers Elaine Barns, Stella Gould and Barbara Willard.

VARSITY

J. V.

GIRLS' BASKETBALL

The N.H.S. Girls' Basketball Team began its first season this year with a five game schedule for the varsity and a four game schedule for the junior varsity. Of these five the varsity won 2 and lost 3, while the J.V.'s won 2 and lost 2. Our first game with Rippowam was a close one, with Sally Bingham tying up the score at 33-33 with thirty seconds left in the game. But we lost in a thrilling overtime period, the final score being 35-33. High scorer was senior Ginger Picanzi with 15 points, followed by sophomore Nancy Balla with 8 points. The J.V.'s won their first game with a score of 27-7; Collette Ralston was the top scorer with 9 points. Our second game against a strong Brien McMahon team was a loss by the large margin of 43-14, with Nancy Balla top scorer for N.H.S. with 7 points. The J.V.'s again won with a score of 12-9 with Sharon Pine and Elise Miller the leading scorers with 4 points apiece. On January 14, both the varsity and the J.V. girls lost to Central Catholic, the varsity losing with a score of 45-21 and the J.V. with a score of 21-13. The varsity's first win came against Stamford High, 42-36 in an away game on January 24. Nancy Balla led the team with 18 points, Andy Seger followed with 10 points, and Ginger Picanzi with 9 points. Our last game, a home game against Greenwich proved a victory for the varsity but a loss for the J.V. The varsity scored 45 points against Greenwich's 18 points. Sophomore Nancy Balla was again high scorer with 20 points; Ginger Picanzi and Andy Seger scored 10 and 8 points respectively. The score of the J.V. game was 25-7, with Collette Ralston scoring 7 points.

Although we did not have a winning season in our first year of play, we have a promising group of juniors and sophomores for next year, illustrated by sophomore Nancy Balla, leading the team this year in scoring with a total of 55 points.

The following were members of the Girls' Basketball Team of 1967: Nancy Balla, Sally Bingham, Dee Cardillo, Nancy Cochrane, Diane Deal, Stella Gould, Nona Jones, Cathy Kahl, Lise Leigh, Pat Mason, Val McNair, Elise Miller, Linda Mitchell, Chris Patalano, Ginger Picanzi, Sharon Pine, Collette Ralston, Pearl Rysz, Kathy Roose, and Captain Andy Seger.

CHEERLEADERS

Under the supervision of Mrs. Sallick, the 1966-'67 cheerleading squad worked diligently to supply the spirit for all N.H.S. athletics. In doing this, they have proved that the squad is an excellent example of our students' enthusiasm. Each girl has been obligated to conduct herself accordingly at all times and has done so throughout the year.

In or out of uniform, their spirit and friendliness stand out as two of the qualities of our cheerleaders. Yet, the work and hours they put into practice and rallies must not be forgotten. Cheerleading is a strenuous and time-consuming job, but each and every N.H.S. cheerleader will tell you that she has enjoyed it tremendously. Their endless spirit will always be an inspiration to our athletes and our student body.

NHS SENIORS CHOOSE YEARBOOK PHOTOG

The executive committee of the Senior Class of Norwalk High School met in the school recently to select an official class photographer. After bids were opened the committee selected Paul Brinckerhoff of 2 Knoll street as the official yearbook photographer. Class mem-

bers will be notified of the details of the contract thru the mails.

There will be no sitting fee. From now on seniors may call 866-6060 for appointments with the photographer. All yearbook pictures must be taken before December 1, 1966.

For the yearbook pictures the dress will be as follows: Boys will wear a white shirt, a long tie and a jacket. Girls will wear a white blouse.

The drudgery

We watched our b-ball team shoot hoops,
And Bear Tracks staffs pursuing scoops;
We found that lunch to our dismay
Seemed to worsen, day by day.

A bigger joke than lunch we found
Was the pre-announcement sound,
From the speakers every day—
Musical talent on display.

As students risked the parking lot
In spite of warnings they forgot,
They were by deeper holes defeated—
One by one our class depleted.

For three long years an endless fume
Diffused throughout the teachers' room,
Until a classmate grabbed the door—
He's lost in smoke forevermore.
